Thanks to all of our wonderful speakers, conference attendees and exhibitors of Global Nursing Education 2019 Conference was our best ever!

21st Global Nursing Education Conference facilitated by the Conference Series was held during March 25-26, 2019 at Orlando, USA with the topic "**Current Challenges and Innovations in Nursing Education**". Benevolent response and dynamic interest were gotten from the Scientists, Doctors, Deans, Professors, Lecturers and Students from the fields of **Nursing and Healthcare** who made this event successful.

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

- Nursing Education
- Nursing Teaching Strategies
- Innovations in Nursing Education
- Advanced Nursing Practice
- International Nursing Education
- Nursing Education Types
- Nurse Practitioners Perspectives
- Public Health Nursing

The conference was initiated with a series of lectures delivered by both Honourable Guests and members of the Keynote forum. The list included:

Traci Patterson

Advanced Pathways, USA

Joyce Bredesen

Metropolitan State University, USA

Katheryn Fernandez

Capital University, USA

Marsha Cannon

University of West Alabama, USA

Jennifer Hochell Pressimone

JennScents Inc, USA

Gamal Salim Paez Mojica

Alternative Medicine Wellness, USA

Kathleen A Sternas

Willow Star Haven Charitable Foundation, USA

Kimberly Kirschner

Capital University, USA

The event enlightened various areas of, **Nursing Education**, Nursing Teaching Strategies, Innovations in Nursing Education, Advanced Nursing Practice, International Nursing Education, Nursing Education Types, Nurse Practitioners Perspectives with Keynotes, Plenary lectures, Workshops and Poster presentations, Virtual and E-posters from the speakers of various Academic Universities and Organizations.

With the completion of **Global Nursing Education 2019**, we are glad to announce the "**4th International Conference on Future Nursing, Digital Health, and Patient Care**" which will be scheduled during August 10-11, 2020 in Stockholm, Sweden with the theme: "**Vision towards Nursing, Health Care and Digital Technology**".

Future Nursing 2020 announces the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
